Coffee and Chat

From September Kids will offer parent/carer support sessions during term time where parents can become a part of a supportive network of peers, sharing experiences. These will run weekly across 4 different Best Start Family Hubs.

This is your opportunity to catch up with practitioners and specialists who provide guidance, support, and valuable advice. Relax and chat in a comfortable and informal setting, where you can build peer-to-peer connections with others facing similar journeys.

Sessions are informative and supportive, offering a space for sharing experiences and gaining valuable insights. Don't miss out on this chance to connect, unwind, and empower yourself with knowledge and support, and build a supportive community together.

We are hosting welcome sessions before the Summer at Oldbury, Smethwick, Rowley and Wednesbury. This is a chance to meet the team and find out more about our services and how we can best support you and your family.
