

## Autism Acceptance Week Homework

Please return by: Friday 27th March

Dear Parents and Carers,

Next week we are celebrating Autism Acceptance Week. We will be learning about being kind, including others, and valuing everyone's unique strengths.

Please help your child complete one of the activities below:

### **Option 1: Draw It**

Your child can draw a picture of one way they can include others at school, such as:

- playing with someone who is alone
- using kind words
- taking turns
- helping a friend

### **Option 2: Write It**

Your child can write one simple sentence starting with:

"I can include others by..."

- listening to others
- celebrating differences
- helping when someone is struggling
- making sure no one feels left out

### **Option 3: Draw and Write It**

Your child can draw a picture and write a short sentence about how they can include others.

On Friday 27th March, children will share their picture and/or sentence with their class as part of our Autism Acceptance Week celebrations. If you don't have paper at home, you can complete the homework on the back of this sheet.

Thank you for your support!
