Learn Together with your Child - Phonics

Dear Badger and Squirrel Parents,

On **Tuesday 13th October 2026** we will be holding a Phonics and Reading workshop at **2:15PM**. This will take place in the school hall and it is for you and your child to take part in. On this day you will access the school hall through the main school playground. You can then take your child home following the workshop.

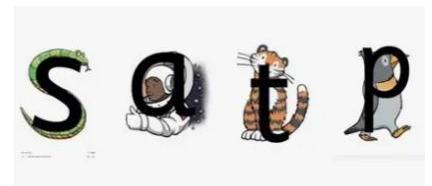

In school we use a phonic scheme called 'Little Wandle'. This session will give you the opportunity to find out more about it. It will also enable you to see what a phonics lesson looks like and how we teach phonics in school. There will also be time at the end of the session to answer any questions. We will also be giving you a phonic pack to take away with you.

Please note that mobile phones must remain out of sight during the workshop, and photography is not permitted at any time. We also kindly ask all parents and carers to be respectful by not chatting while the teacher is speaking and if any siblings become unsettled or make excessive noise, we ask that you step outside with them briefly to avoid disruption.

We truly value our partnership with parents and carers at Moat Farm Infant School, and we hope to see you there.

Yours sincerely

Mrs Somers
Assistant Headteacher

If you require any adaptations or have any special requirements, e.g. require a ramp to enter the school building, during your visit please notify the school office prior to your visit.

Year 1 Phonics Workshop

I will/will not (delete as appropriate) be able to attend the Phonics and Reading Workshop on

Tuesday 13th October 2026 at 2:15pm
