Year 1 Animal Visit

Dear Families,

We are excited to tell you that we have arranged for 'The Animal Man' to visit the Year 1 children in school on **Thursday 12th February 2026**. During the visit, children will be given the opportunity to take part in an animal workshop where they will learn lots of animal facts and meet a variety of different animals. Children will be given the opportunity to pet and handle all of the animals if they wish, but there will be no expectation for children to do this if they do not want to. The visit will coincide with our science curriculum on classifying animals and their diets.

A polite reminder that trip payment information was sent out in September. Please see the payment dates below. You can pay via instalments or as one payment if you prefer, via ParentPay. These payments will cover the puppet show, The Animal Man visit and a trip to the Thinktank Museum.
