Dear families,

We are writing to let you know that Moat Farm Infant School are taking part in #HelloYellow on Friday 9th October 2026 this World Mental Health Day.

The number of young people in need of mental health support is growing faster than ever - with a record breaking 420,000 young people being treated for mental health problems every month. Most young people aren't getting the help they need, and this can't go on.

That's why this year #HelloYellow is more important than ever. We need to make sure young people know that how they feel matters and they deserve to feel supported. We couldn't not get involved.

We'll be joining thousands of other schools by wearing yellow to show young people that how they feel matters. To take part, children can wear **a yellow t-shirt and yellow accessories** to school on **Friday 9th October**. Children should still be coming into school with all other uniform items as usual but can wear a yellow t-shirt or yellow accessories such as; hair clips, socks or hair bobbles.

We're confident that taking part in #HelloYellow will show our young people that they're not alone with their mental health. Together, we can create a brighter future for children and young people.

Yours Sincerely,

Miss Evans
