Seaside Day - Thursday 16th July

Dear Families,

As it is nearly the end of the term, we are having a fun packed 'Seaside' theme day in Nursery and Reception. The children may come to school wearing 'holiday clothes'. We will be having paddling pools outside so children can bring a spare change of clothes in case they get wet. We will also be having ice lollies. If you do not want your child to have an ice lolly please inform the class teacher.

Please ensure your child has their water bottle in school on the day.

To help cover the costs of the ice lollies and activities, we are asking for a donation of £2. Please put this in a named envelope and hand it to the class teacher by Wednesday 15th July.

Thanks in advance
The Early Years Team
