Dear Families,

Friday 13th November is this year's BBC Children in Need Appeal. Our school is excited to be joining in with many others around the UK to participate in the fundraising programme.

This is where we need your help! We are asking for a minimum 50p donation, but you can donate more if you choose. Your donations will be sent to the BBC charity appeal which is used to support children across different communities and to support organisations which are within our community.

You can make your donation in cash on the day.

On Friday 13th November we would like the children to come to school wearing a spotty t-shirt. Children are still expected to wear school trousers, skirts, tights and school shoes as usual. The children will participate in a challenge this year. Please look out for the poster on your child's classroom door, which will inform you of the challenge that they will be completing.

Thank you for your support.

Yours sincerely,
Miss Evans
PSHE and SMSC/British Values Coordinator
